

Dover Business Support

Dover Business Support (DBS) is a service of the Dover District Chamber of Commerce dedicated to supporting the retailers, traders and businesses in Dover Town Centre.

DBS offers advice and guidance on a wide range of issues that impact on the practicalities of owning, managing or working in a business in an urban environment. Critical to the success of DBS are improving the attractiveness of Dover Town Centre and working in close liaison with elected representatives to ensure improvements in the trading environment from which all businesses, shoppers and residents can benefit.

We recognise that the role of the built environment is just as important as the interiors of our shops. We also understand that retailers who work long hours with heavy administrative burdens and significant financial responsibilities require the support of Chamber staff who understand their problems and can offer practical solutions.

With the welcome backing of Kent County Council, Dover District Council and Dover Town Council, we are able to offer a measure of support to all traders in the town. DBS members receive an enhanced service with specific promotional activity to boost their businesses.

The DBS office is located at
23-25 Worthington Street,
Dover CT17 9AG.

Issue 2

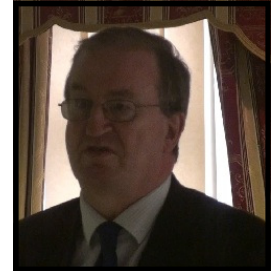

Weekly Newsletter

31st May - 5th June 2011

This weekly newsletter is produced by the Dover District Chamber of Commerce Business Support Advisory Group as a service of the Dover District Chamber of Commerce dedicated to supporting the retailers, traders and businesses in Dover Town Centre.

. It will be in PDF format and sent by Email.

Our aim is to inform and involve the High Street. Everyone will benefit with a little effort from everyone pulling together for the Town .

David Foley
Chief Executive

1st Wednesday of the month
Dover Society organise
guided tour of
our magnificent Town Hall.
Learn a little more about
the history of the building

To celebrate the Queen's Jubilee a steering group has been set up to look at the feasibility of a **Dover Tattoo** on **Friday 1st** and **Saturday 2nd June 2012.**

Help us to generate business.
Email your thoughts, observations and constructive suggestions.
